Rhythm section accompaniment tracks (AKA Rhythm Tracks) that correlate to the exercises in this book are available for free on the website. Rhythm Tracks use stereo separation of instruments as follows:

Left Channel, Bass and Drums;

Right Channel, Piano and Drums.

Thanks to the following people who have helped with this project: The Lab Rat, Michele, Maria & Anthony, Cathy, and all the jazz students I have ever taught.

Special thanks to my mentor Ron Naroff, author of A Textbook for Jazz Improvisation for his encouragement in my development as a musician, jazz improviser, composer, educator and author.

This body of material was developed for the jazz band at Mt. Markham Middle School in West Winfield, NY in 2001 - 2003 school years.
